1169 TRAINING VIDEOS (AND COUNTING)

The Drum Circle Leadership Multimedia Course is an **extensive collection of training videos and accompanying 300 page electronic manual** designed to help you lead exciting and enjoyable drum circles- even if you are a beginner.

This ever growing resource contains 1169+ videos that will help you create your own drum circles for years to come. There are no prerequisites, nor do you need to be able to "read" musical notation.

Valuable new training videos are added regularly.

LEARN AND REFINE AT YOUR OWN PACE

Your time is valuable. This extensive multimedia course gives you total control over your learning. With this comprehensive course, you choose how and when you learn.

What's even better is having the ability to refine your learning over time by watching, practicing and then re-watching the videos. Plus there's always something new to learn each month as new videos are always being added.

The Drum Circle Leadership Video Training Course is the learning resource that grows with you.
